Meeting Room:
American Legion Post 30
730 4th Street
Sparks NV 89431

Newsletter Editor:
Dan Mitchell

Hi Everybody!

I'm Dan Mitchell and I'll be taking over the RRCC Newsletter duties in 2026. I wanted to do three things with this quick note:

1. Send out a big thank you to Randy Connors for creating and distributing the newsletter for the past three years (2023-2025). Clubs survive through the volunteer efforts of their members, and you have definitely contributed to the welfare of this organization. I have heard around the field that people enjoyed getting your newsletters—that's always a good sign. Thank you so much for your time and effort!
2. Send out a holiday season greeting to all of you:

Happy Holidays and a great new flying year to all of you!

3. Test the method of distributing the newsletter via the web site. All new stuff to me!

See ya around the field.
